## MODERATOR'S ADVENT MESSAGE 2020

### Prepare Yourself

Advent is the season of preparation; when Christians get ready, focus, and plan in anticipation for Christmas. This year may be very different from any other Christmas due to Covid-19. Preparation is the keyword.

Advent begins on the fourth Sunday before Christmas, this year 29 November. We, the Church, recall our hopes and expectancy in the comings of Christ - past, present, and future. Christmas will always be Christmas. That magical day when we celebrate the Baby of Bethlehem.

Whether it be in the snow of the Northern Hemisphere or be in the warm summer of the Southern hemisphere, it is a wonderful season of hope, love, peace, and joy. Let's be prepared in mind, heart, and attitude. Let's be prepared for whatever coronavirus restrictions we may face.

This is a wonderful season for each one of us to strive to clear the deck. Remove any unnecessary baggage that has accumulated over the year. Prepare yourself for the baby of Christmas, Jesus.

## Peace Advent Two (December 8)

I just lost my husband and home due to conflict  
Jenty knows what it is like to be hungry and afraid. Conflict has rippled through her home in South Sudan since it was founded in 2011. This time she fled on foot with her children and Maridi a fast-growing town on one of the new country's few roads. They arrived with nothing, but the community always welcomes people displaced by the conflict. She is proud of her garden and the corn that she has learnt to grow. Food grows well here. Let us pray that peace will take root in South Sudan.  
We are hungry for peace.

The congregational singing was fantastic, and the Fijian Choir were inspirational.

Thank you everyone who took part and a special thankyou to the team who helped with clean up and in the kitchen – Many hands made light work, and your help was greatly appreciated. – Joan Wright

#### A Prayer for the Christmas Tree

Holy Creator of Trees, bless with your abundant grace this our Christmas tree as a symbol of joy. May its evergreen branches be a sign of your never-fading promises. May its colourful lights and ornaments call us to decorate with love our home and our world. May the gifts that surround this tree to be symbols of the gifts we have received from the Tree of Christ's Cross. Lovely Christmas tree within our home, may Joy and Peace come and nest in your branches and in our hearts. Amen
