### The Treaty of Waitangi | 6<sup>th</sup> February

God of the Long White Cloud, of Aotearoa New Zealand, this land is your land. Successive migrations of peoples have sailed across the oceans and come to these shores.

We are people of differing cultures and languages, a mosaic of different religions. Let us give thanks for the Treaty of 1840 that has become for us a sign of hope and justice, a way forward towards peace and reconciliation, and a blueprint of mutual recognition of who we are as a nation.

Give grace and wisdom to the Tribunal, as it untangles the injustices and mistakes of the past. Give to our lawmakers and leaders a sense of responsibility as stories are retold and compensation litigated. Help us honour the languages and customs of all who live in our communities, knowing that we are all one in Jesus Christ.
