### **Message from the Worship Committee.**

June 30th is the end of the financial year, 2022, for the Plains Presbyterian Parish, also just over a year without a resident minister. It is also a time to consider the worship, church services in the Plains Parish. We have 4 churches and we have been fortunate and blessed with supply ministers and lay preachers who travel a distance in their ministry supporting Plains. We extend our thanks and appreciation. The worship committee organizes the Parish roster and we try to keep to our supply budget of \$24,000 which has been allotted for worship services. This amount is a major part of the parish expenditure but we also considered worship services to be a major part of Parish life. Without our Sunday services, what do we have to enrich people's lives? At this stage we will continue with our faithful supply people and hope our faithful congregations will be there as well. We welcome feedback, thoughts and suggestions on "What can we do to enhance worship" as well as financial support for our ministry team. Bank number listed on the bulletin for anyone wishing to contribute.

Many thanks, Dorothy Knight. Worship Convenor.
