## PRAYER OF ENCOURAGEMENT *Contributed by Denis Brown*

**News papers are out of date almost before the ink is dry. The Bible, however, provides us with the most precious heritage the human race has ever been given – ageless and deathless.** *How sad to see our generation searching for meaning and yet ignoring the principals and values our Creator has given us in order to find that meaning.* Once again I make the point that the Church guards the principles that make life meaningful. If it does not make them known and demonstrate them to the world, there is little hope for the world.

**Prayer:** My Father and my God, so much is demanded of your Church, but generally speaking so little is being demonstrated. Forgive us and help us dear Lord. In Christ's name. *Amen.*
