PRAYER

Dear God, I just want to say today thank You for this brand new day. Thank You for Your healing, blessings and miracles. Lord, we are so grateful for your grace that sustain us for the rest of the year. Lord, may Your presence and Your Holy Spirit be with us wherever we go. We entrust to you all the cares of the day and let your will be done in us. Protect us and guide us in everything. This I pray in the loving name of Jesus, my Saviour, Amen.
