Children of the World | *A voice was heard in Ramah, a wailing and loud lamentation, Rachel weeping for her children; she refused to be consoled, because they are no more. Matthew 2:18*

I see a picture on the news, in magazines and on the Internet. Mothers crying holding lifeless children, their bodies covered with flies. Why God! They are in another world, but come to my world through images of pain and suffering; I feel helpless, their pain becomes my pain and I am but one person. Why God! Show me ways to make a difference, the little things that I can do so I can help those who seem more helpless than me. How God? Show me how. *From Call on Me, A prayer book for Young People.*
