Gracious God, you have created us for community, let us honour those places where we gather to socialize, to worship and to be educated - local schools, community halls and marae, churches and worship centers, general stores, pubs and sports grounds. Through the Holy Spirit you gift us fellowship and unity, and help us recognize the variety of talent and character that marks the tapestry of our community..... Bill Bennett.

It's been a privilege to be part of your community, but as always things are not stagnant and we had to move on. We pray that the Lord will always be with every one of you. All the best—Theo, Madrid and family"
